FIRST SEGMENT-SOME SELECTED QUESTIONS FOR FULLER DISCUSSIONS ON THEM

QA- I desire as one in covenant with God to partake of the blessings promised me in Joel 2: 28. I want to go past natural dreams which, in my experience, are normally unclear and meaningless

QB-How may I hear clearly from God, interact with the Holy Spirit and developing growing intimacy and full submission to Him in all things?

COMBINED ANSWERS: We will seek to take on these two questions together. In doing so, there other connected interests that will be brought in for a more profitable help. The following teaching points will lead the way.

- 1. Joel 2: 28, among other things, points to a mighty infilling with the Holy Spirit. This experience of Baptism with the Holy Spirit is available to all believers to be received TODAY and must be taken as the first point of call. When this is a need in anyone, attention TODAY can be given to it by a convenient arrangement. Talk with any of the Elders in your fellowship.**
- 2. It is important to know what ministry the Holy Spirit fulfils toward us:**
 - The TEACHING ministry in the medium of the written word (the highest in his dealings with us).**
 - The TELLING ministry through the operations of the gifts of Holy Spirit (Word of Wisdom, Word Knowledge, Discerning of spirit which come directly or needs a further unveiling by involvement of other Gifting).**
 - The INFLUENCING ministry of the Holy Spirit which is enjoyed by those that have cultivated a life habitual obedience to the Holy Spirit. It includes but not limited to divine ordering of things providentially.**
- 3. Walking in the light of the mighty, all important LAW of the Spirit of Life in Christ Jesus being open to and submissive to the requirements given in the 6 clauses springing from IT (6 clauses making up the Law).**
- 4. In particular, making the most of the 4th. Clause which requires you pray much in tongues and thus setting up, as you will, an atmosphere for the manifestation of any or all of what is listed in '2' above. It is also a way of TOPPING UP- go on being filled with the Holy Spirit is a command of the Holy Scriptures.**
- 5. Taking up the practical responsibilities that we individual must do in respect of pleasing God in fully enjoying the blessings of the Grace Covenant.**
 - Divine beings LEARN by hearing what is spoken from WITHOUT (by either self or by others of the same kind-New Creation). If what is heard is a direct quotation from the Word of God or an exposition, then a further hearing is mandatory. This will be by personal repetition of the same script or some choice portions taken from the ministration of God's Word..**

- Divine beings also **LEARN** by perceiving (**either the VOICE of the indwelling Spirit of the glorified Christ OR by His UTTERANCE contained in Sign language expressed in visions received both in ‘an awake’ or ‘asleep’ mode**).
- Changes coming on the heels of means described above occur rapidly in **the inward man, the hidden man of the heart. Knowledge-based, dual-purpose experiences**, such as PEACE, developed under the above circumstances **partly** relate to taking up more of the likeness of God. However, **relative to the outward man**, a further work is needed to give corresponding benefits. In this later connection, the hidden man of the heart, **as the candle of the Lord, plays a significant role.**
- Divine beings are known by what they say; **habitually**. They bring about visible changes to their **outward man**. What is SPOKEN stream from the abundance that fills up the **inward man; the hidden man of the heart**. Changes begin to take place immediately. Nevertheless the experience which, comes on all spheres of our interest, is gradual but **builds up** to full blown proportions.
- Let us joyfully proclaim LIBERTY. PROSPERITY AND HEALTHFULNESS over our lives and circumstances. We must understand that the symbolic loaves of bread answering to these three things are ours by divine grants issuing forth from the Grace covenant. We are loaded daily with these benefits, Psalm 68: 19 tells us. The Spirit of the Lord counsels us to eat of these loaves DAILY to retain the BLESSINGS permanently.
- The abundance resident in gift of Grace, working in concert with the gift of Righteousness received by a believer enables him to REIGN in his inward man with the awesome power of eternal Life. Romans 5:21 and Romans 5:17 read and considered in that order.
- Yielding to this work of Grace **brings fullness of PEACE and unlimited ASSURANCE by which the believer, in the arena of life, possesses unassailable protection and victory** over Satan and the Powers of darkness. In practical terms, we must learn the power of believing **–HORNS- AND** then declaring our benefits and rights by a continual ‘speaking’ forth from our **‘MOUTH’**
