Questions

- 1a. Is there an answer in the Bible for every Christian spiritual question?
 - b. If "yes" is answer to question (1), then should we search in another book (that is not Bible) for answer to Christian spiritual question?
 - c. If "no" is answer to question (1), then what are those Christian spiritual questions that are not answered by the Bible?
2. Kindly throw more light on *1 John 4:17* "Herein is our love made perfect, that we may have boldness in the day of judgment: because as he is, so are we in this world" how can we attain to the level of "as he is" are we already "as he is" if so why are still many things hanging around our life that we know is not as he is.
3. How can I hear clearly from God and interact with the Holy Spirit as my best friend. How can I develop intimacy with the Holy Spirit? Where he can lead the entirety of my life and I am completely yielded to him.
4. Daddy Hope, you always use this phrase "conducting your affairs in God's presence" please can you give us steps or methods to properly conduct ourselves in God's presence on a daily basis. How can we get the best in our times of "koinonia" with the father daily?

5. In the message from Friday evening, you mentioned that the difference between the four living creatures of Ezekiel 1 and those of Revelation 4 is the extra two wings which represent an entrance into the Holy of holies for the new creation man.

Are the seraphim in Isaiah 6 living creatures also? They are shown to have six wings but are in the Old Testament. If not, what do these six wings represent?

6. What are the 6 doctrines in Hebrews 6 that were being referred to?

7a. I didn't fully understand the explanation of the scripture in Amos 9:13. I don't understand the meaning of the plow man overtaking the reaper and the meaning of the treading of grapes overtaking the sower of seeds

Part b: Is the experience of exponential growth based on Amos 9:13 just given to all in this time? Or are we to do anything to experience it?

8. I'd love to know the proper perspective on sins and weaknesses in our lives. You mentioned that the little sins are nothing compared to the blood of Jesus, which cleansed heaven. However, sometimes it feels, based on the way we pray for sins e.g: "give me a new heart", "deal

with sin in me”, that we are making progress, but also are not. Where do we draw the line between what Christ has done, blotting out sin, and crying as though it has not already been dealt with. Paul says in Galatians 5:24 and 2:20, "They that are Christ's have crucified the flesh and all of its lusts, so what is the right attitude?"

9. In my work with God I have never seen a vision before, and whenever I dream, my dreams are unclear and meaningless. I was told that scattered/meaningless dreams means a scattered spiritual life. I desire to see visions because the Bible says it concerning me in Joel 2:28. How can my spiritual eyes be opened? I really desire open heavens and open eyes in the spirit.

10. Please can you explain the three degrees of growth?

11. The Grace Covenant for which Jesus served the Father is one-sided, unilateral. The performance of this covenant is exclusively secured by God against failure.

Based on this, since God is strong in power and none can snatch out of his hands, how then can one fall away or turn aside seeing that God is faithful. If a person does not perform the covenant of sacrifice, do they lose the lot secured by the grace covenant?
